AUZ 01

Stainless steel wallmounted WC pan with hardened toilet seat

AUZ 01 is a stainless steel wallmounted WC pan in matt design. Delivery includes grey seat with lid, made of hardened plastic. **Newly also available in a version with a black seat (AUZ 01.CS).** Assembly holes of AUZ 01 are the same as for any commonly used ceramic closet.

Sets can be assembled with the automatic sensor flushing system AUZ 3, the automatic flushing system with piezo button AUZ 3P, the anti-vandal automatic flushing system BSAZ 01, and the KZ 1 cantilever or with the sensor flushing system AUZ 5-II in the in-wall toilet module, or the anti-vandal automatic in-wall flushing system BSAZ 5.

Due to its resistance to damage, the AUZ 01 is intended primarily for social facilities with expected high intensive use, such as highway rest areas, pubs, etc., where easy hygiene maintenance is required - using automatic flushers.

We also produce the AUZ 01 toilet in a version for disabled under the code AUZ 01 INV. Other variants of stainless steel toilets available in the stainless steel toilets or stainless steel security toilets section.

The toilets are made of stainless steel of class ČSN 17240 (AISI 304). Other materials on request (e.g. AISI 316). For the treatment of stainless steel products, we recommend using Würth detergents – material preservation (order no. 0893 121 K), material cleaning (order no. 893 121 1).

Complete delivery

- Stainless steel WC
- Plastic seat
- Anchoring material

Available variants

- AUZ 01 stainless steel wallmounted WC with hardened seat
- AUZ 01.CS stainless steel wallmounted WC with black hardened seat

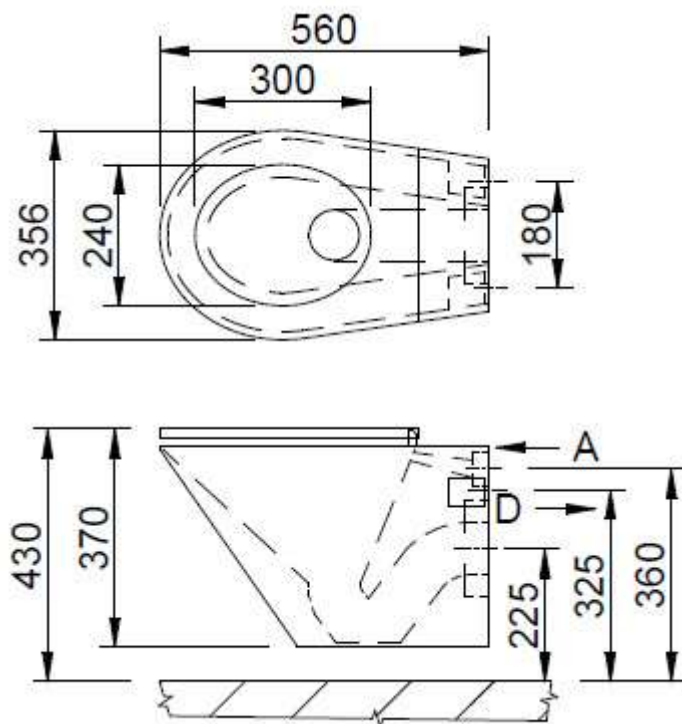

Technical details

- Water inlet d = 34 - 50 mm
- Min. water flow capacity 70 l/min
- Outlet d = 90 mm
- Required spacing between bolts 180 mm
- Weight 18 kg

Construction readiness requirements

- Set-up water inlet according to the diagram d = 34 - 50 mm and chosen sealing.
- Set-up outlet d = 110 mm with rubber sleeve for pipe d = 90 mm.
- Set-up the cantilever or other system for hanging the WC pan
